

The **AmPark Neighborhood School** is once again participating in the **Great American SpellCheck**. This a fairly new fundraiser, but in the past, the school has collected over \$1500 in pledge monies from only a 15% student participation rate - imagine how much the school could raise if more students participated?!

**How it Works?** A student participating in the Great American SpellCheck **studies 50 spelling words**. The student **collects pledges** for each word spelled correctly on the Great American SpellCheck quiz to be held on October 25th, 2018. **This is a win-win proposition!** The student wins by improving spelling skills and Ampark wins by retaining **100%** of the funds for school needs!

Will you please support \_\_\_\_\_'s participation in the Great American SpellCheck?
